#### 5. Learning outcomes

The parties have agreed that the following learning outcomes should be achieved during the learning mobility:

<b>1. Outcome 1: Raising awareness regarding the environment</b>	
Relevant subject, skill or competence:	Drama, singing, music, crafting, writing, discussion
Description:	Participants will engage in a number of performing arts activities, each aimed at raising awareness of the environmental issues we face as a planet, through these artistic mediums.

<b>1. Outcome 2: Learning new ways to promote environmental awareness with students</b>	
Relevant subject, skill or competence:	Drama, singing, music, crafting, writing, discussion
Description:	Participants will directly experience and thereby learn many performance-based activities, games and exercises around the theme of environmental awareness, which they in turn will be able to use in their own classroom practice.

<b>Outcome 3: Learning new CLIL approaches</b>	
Relevant subject, skill or competence:	Drama, singing, music, crafting, writing, discussion
Description:	By learning through the performing arts in the English language, teachers who are keen on developing their CLIL skill-set will have the opportunity to widen their working palette in that sense through all the activities they will be engaged in.

<b>Outcome 4: Developing communication skills</b>	
---------------------------------------------------	--

Relevant subject, skill or competence:	Drama, singing
Description:	The games and exercises are also meant to develop participants' awareness of themselves as communicators, and to help them in the process of becoming more effective, expressive and intentional in their communication.

<b>Outcome 5: Developing a growth mindset in relation to one's teaching practice</b>	
Relevant subject, skill or competence:	Drama, music
Description:	Especially when it comes to the improvisational games and exercises we will be doing, participants will have many opportunities to develop a growth mindset, which they in turn can incorporate in their own classroom.

## 6. Learning programme and tasks

To achieve the agreed learning outcomes, the participant will complete the following activities and tasks during their mobility activity.

<b>Activity / task 1: Drama games and exercise</b>	
Description:	Fun games and exercises aimed at helping participants engage with one another in a new way, as well as to approach the theme of environmental awareness creatively.

<b>Activity / task 2: Music</b>	
Description:	Songs and song-writing will play an important part in the week's activities, as a means to engage creatively and collaboratively with the environmental themes at hand.

<b>Activity / task 3: Instrument-making</b>	
Description:	The theme of recycling being so central to environmental awareness, will be explored through the making of one's own musical instruments through recycled materials.

<b>Activity / task 4: Script-writing</b>	
Description:	Writing a short script on the theme (and sub-themes) of environmental awareness will play an important part of the week's process, allowing thoughts and feelings on the theme to materialize in the guided creation of a script.

<b>Activity / task 5: Improvisation</b>	
Description:	Improvisation exercises will feature a lot, in order to help participants develop a 'less is more' and growth mindset so crucial to the question of environmental awareness.
